“Academic Excellence with Christ-like Character”

Photography Release Form

During the school year we plan to use photographs for the yearbook. These pictures may also be used by the teacher or other school staff for publicity, bulletin boards, on our school website, and for posts on our Alumni, school, classroom and Preschool sites including Facebook. If you are in agreement with these uses, please sign this form to signify your permission. **If you do not want pictures taken of your child and used in the ways listed, sign the form in the appropriate spaces below.** This does not affect any pictures you may order from the professional photographers who take the pictures in the fall and spring. Pictures taken by parents or chaperones on field trips or in other class activities cannot be shared without permission. Your wishes will be kept on file and distributed to teachers.

If you have questions, please call the school. Thank you for your support in making this a memorable year and for considering allowing us to capture it on film.
