**Our Philosophy—Why We Do
What We Do**

At Mother Lode Christian Preschool,
we believe that the most important
thing that a child can learn is that
they are loved by Jesus!

We believe that it is important to
establish a community mindset of
compassion and empathy for those
around us and to seek to model this
in the classroom.

We believe the importance of teaching
to the whole child as well as
seeing each child as an individual
with individual needs. Special
attention is given to ensure that
each child is having their spiritual,
cognitive, physical, social, and
emotional needs met.

We believe that children learn best
through play and exploration, and
so we provide ample opportunity
throughout the day for children to
practice what they have been
learning as well as learning
from each other.
