Athlete and Parent Commitment

We ask that you please read the following information including the Athletic Code of Conduct on the back, then sign the bottom of the form and partner with us in raising up athletes with Jesus as the driving force.

I _____, as a player in the MLCS sports program, I agree to invest my time, talent, and energy, while maintaining academic excellence. I agree to listen to my coaches, to become "totally released" to the Lord and my fellow believers. I have read all the information presented to me and agree to follow and obey all the rules of the sport. I know that the rewards may not be in the world's terms of "success" or "winning" however, I can grow through my participation and dedication to the team. I truly desire to serve the Lord in this ministry.

I/We _____, as parent(s)/guardian(s) of the above MLCS athlete, do agree to invest in this program. Our/My investment will consist of the following: reading all materials presented to our /my son or daughter, regularly in prayer, supportive in both attitude and deeds of the coaches, athletes, officials, the school and others related to the program. I/We are (am) willing to be used when asked and will volunteer to help when needed. I/We know that the rewards for this investment will be mainly spiritual and eternal in nature and want to join in this ministry with MLCS.

****Students must also have at least a 2.5 GPA with no F's per grading period; this includes progress reports to be eligible to participate in any MLCS Athletic Event.****

Athletic Code of Conduct

Mother Lode Christian School believes parents, along with coaches play a vital role in the development of student-athletes. Parents, players and coaches must agree to abide by this code of conduct.

- I will encourage everyone to be a **positive** role model to teammates, opponents, officials, and spectators.
- I will make athletics a positive experience for everyone involved, i.e., teammates, competitors, officials, spectators, and coaches.
- I will insist my player treat **ALL** others with respect.
- I will do my best to understand and appreciate the rules of the contest.
- I will help my child learn that success is measured by the development of skills, not winning or losing.
- If I have a concern, I will talk to the coach at the appropriate time and place, i.e., never before, during or immediately after a contest.
- I will remember that my attendance at a school athletic event provides me the privilege of observing the contest, not berating officials, coaches, or players.
