Mother Lode Christian School Coaching Policy

Mother Lode Christian School Athletics is proud to field teams made up of student athletes who represent Christ and MLCS to the very best of their ability. Athletics at MLCS exist to integrate and enhance the Athletic Mission Statement of the school, while providing student-athletes opportunities for spiritual and athletic growth. We understand, from the Christian perspective, that competition is healthy for growing and maturing Christians when performed with Christ-like character. Our student-athletes are provided and challenged with enriched and quality athletic opportunities.

Both personal and team growth is highly emphasized and enhanced by combining spiritual truth into athletic achievement. Coaches strive to build players who are committed to developing Christ-like character through discipline, teamwork, and competition. It is a primary goal that all our student athletes display this character toward opponents, fans, and officials. Student-athletes at MLCS can expect to be challenged, instructed, and encouraged in the process of growing and living life in the image of Jesus Christ.

"Let your light so shine before men, that they may see your good works and glorify your Father in heaven." ~ Matthew 5:16 NKJV

As a member of the Tuolumne County Elementary School Athletics (TCESA) our teams compete in eight different sports from grades 6 -8.

GIRLS

Basketball
