

MLCS Parent Volunteer Survey

The involvement of our families is one of our greatest strengths. Our ability to enrich the children's educational experiences, maintain a safe and functional facility, and keep tuition costs as low often depends on the availability and support of parent volunteers.

Mark your calendar now for **Friday & Saturday, February 21st & 22nd, 2025**, the weekend of our Winter Jubilee fundraiser, where we will need all hands on board. A sign up will be sent in January.

In addition to the Jubilee, we have many other needs over the course of the year for parent help. Please mark any areas that you may be able to help with. The leaders of those areas will contact you when the time of the event draws near:

- _____ Classroom Volunteer (2 hours per week)
- _____ Room Parent (organizes class parties; assists with class communication)
- _____ Parent Teacher Fellowship Support Member or Leader (one afternoon per month)
- _____ Driver for Field Trips (see driver form attached)
